

MOTION BY SUPERVISOR YVONNE BRATHWAITE BURKE

MAY 27, 2003

The American Red Cross will be conducting its National Campaign “Save a Life Tour 2003” beginning in May in Los Angeles and ending in November in Washington, DC. The concept involves two convoys that travel across America collecting blood, heightening public awareness and generating excitement in local communities. The convoy will include a public relations and education bus and a mobile museum, which will educate donors through a variety of interactive kiosks. The “Save a Life Tour 2003” will be stopping at Zuma Beach on June 8, 2003, to increase the public’s awareness about the on-going need for blood and to accept blood donations. I, THEREFORE, MOVE that the parking lot fees (50 spaces) in the amount of \$300 be waived to stage the American Red Cross’ “Save a Life Tour 2003” at Zuma Beach on June 8, 2003.
